PAGE 1

1) Wide shot. We're in a department store, a queue to see Santa. In the middle is Mia. She looks pissed off, is wearing an open trenchcoat, blowing a bubble. Behind her are two 6 year old brats, one playing with a toy spitfire, the other with a weird muppet thing, arguing. To the left we can make out a Santa, sitting on his chair. **Note on Santa** - his beard and hat between them should pretty much hide his face. Just his eyes can be seen. Around her can be made out various 'Santa's little helpers' elves, all with fake spock ears on, the crappy green costumes and black hair when not wearing a hat.

CAPTION

I **HATE** CHRISTMAS.

CAPTION 2

I HATE **WORKING** ON CHRISTMAS MORE.
